

Visit of the team of the State Institute of Arts and culture of Uzbekistan to Almalik city

On April 2021, the teaching staff of the Department of Organization and Management of Institutions of Culture and Arts visited Almalik city. Professors and teachers visited the Palace of Culture of the Almalik Mining and Metallurgical Combine. The purpose of the visit is to get acquainted with the activities of the Palace of Culture, to establish cooperation between the institution and the department.

During the visit, teaching staff got acquainted with the

activities of the circles and collectives. Today there are 27 circles in the Palace of Culture. “There are attended by 580 young boys and girls, «said Ulugbek Amanov, deputy director of the Palace of Culture.

At the end of the meeting, the teachers watched the play “Toda” performed by the amateur theater group “Ufk”, consisting of young people of Almalik city.
