About the International Relations Department:

The Department of International Relations is the main link in the Institute for international cooperation, which is engaged in establishing partnerships with foreign higher educational institutions, research centers and professional development institutions, studying the latest academic and scientific experience and introducing them into the educational process, providing trainings for students and teachers in prestigious educational institutions of the world. This ultimately improves the quality of education. This department is responsible for coordination and management of international affairs.

At the same time, the department was created to develop international relations, improve the educational process and effectively use the world's experience in teaching and research. This department is designed to exchange experience with foreign countries in the field of art and culture, as well as to facilitate the participation of students in prestigious international competitions.

It should be noted that the students of the Institute participate in competitions held in foreign countries and occupy high steps of the podium. These achievements create favorable conditions for glorifying the art and culture of Uzbekistan throughout the world. In addition, films created by students are shown at international film festivals and receive high-level prizes. And this, in turn, serves as an incentive for students in their future creative work. Professors and teachers of the Institute participate in scientific conferences held in various countries of the world. Such exchange of experience allows professors and teachers to innovate in the learning process.
