

NOW YOUTH OF UZBEKISTAN CAN ACTIVELY PARTICIPATE IN THE FESTIVALS OF ART AND CULTURE IN FRANCE

Today, the Uzbek State Institute of Art and Culture held a regular scientific and artistic meeting with representatives of the French Embassy in Uzbekistan, professors and teachers of the institute.

Emili Dezormier, cultural and cultural consultant of the embassy, as well as regional attaché Christopher Peko, participated in this event.

During the visit, guests and representatives of the Uzbek State Institute of Arts and Culture established partnerships in the institutions of art and culture of France and Uzbekistan in the field of cinematography and theatrical art. exchanged views on the opportunities and opportunities of both parties and agreed on the organization of the future exchange of human resources.

The guests will also present information about all the festivals in France, in which students of our institute can take part. They also support the participation of Uzbek youth in such festivals in the process of cooperation.

Cooperation between the State Institute of Art and Culture of Uzbekistan and the Embassy of France will continue.
